OT Gases	25% of Surgeon Fees
Anesthetist Charges	50% of Surgeon Fees
Assistant Surgeon Charges	50% (only if applicable)

Information regarding OT procedures and billing

- Surgery / Procedure performed on patients directly admitted to the ICU shall be billed according to the tariff rate applicable to Single room occupancy.
- However, at the time of transfer from ICU if the patient opted for a higher category than the single room, the cost of the procedure / surgery shall be billed according to the applicable tariff of the respective higher category.
- In case of transfer from ICU - if the patient opts for a lower category the cost of surgery / procedure shall remain the same.

Surgery / Package charges in Multiple Surgeries

Day Care Surgery and Procedure

- The surgical procedure charges for daycare shall be billed as per Economy

Protocol for multiple surgery and emergency surgeries

- In case of multiple surgeries, the procedure with higher surgeon fee shall always be considered as the first / principal procedure and further calculations shall be based on the same.

Multiple surgeries performed by the same surgical team

- If the same surgical team performs multiple procedure / surgery on a patient, then the first surgery shall be billed at **100%** and the second surgery onwards as **50%** of the surgeon charges and rest all surgery will charge **50%**. All the other charges i.e. OT charges, anesthesiologists charges, assistant surgeon charges, OT anesthesia gases shall be billed proportionately.
- In case the surgery is carried out by two different regions or different areas of the body both the surgeries shall be charged at 100%

Multiple surgical team for a single surgery

- In case more than one team is required to perform surgical procedure, the surgeon fees shall be split between teams after mutual understanding of the surgeon and no additional charges will be levied to the patient.

Multiple surgeon for multiple surgery

- In case multiple teams of different specialties are performing different surgeries on a same patient the patient will be billed at 100% for both the surgeons as per applicable tariff. The subsequent procedure shall be billed similarly as mentioned earlier.
- In case of re-exploration within 48 hours the patient shall be billed only for consumables

Cath lab charges

- Cath Charges 70% of Procedure/Surgery Charge.
- IInd Stage Angioplasty will be charged Rs. 25000/- across all categories and all consumptions used during procedure will be charged on actual and will not be included in package of earlier Angioplasty both in Cash & Gipsa Tariff.

Surgery on Sunday or holiday or Emergency timings

- Any surgery performed on a Sunday or holiday will be considered as an emergency and charged 25% extra of the opted category. For trauma and critical patients no extra charges to be levied on Sundays and Holidays.

OT Bookings

- According to the Surgery Non-Refundable OT Booking Advance of Rs.5000 is to be made by the Patient.
- At any given point of time OT Booking amount shall not be refunded except on medical ground / non availability of OT/ Surgeon/ Equipment's. While refunding the amount a written approval from the Primary Consultant and the Medical Administration is mandatory.

Cross Referral

- For those cases that are referred by the treating doctor for an opinion, only one visit per day will be charged as per recorded instructions in the case sheet. The referral could be for (a) Single Consult (b) Continuous care
- All Emergency call to the specialty Doctor must be routed through Resident/ Junior Doctor/ Consultant on duty.
- Service Tax will be charged extra as applicable on all cosmetic procedures as prescribed by Government Notification

TPA / Insurance policy Holders (Cash Less)

- Advance to be taken (as per Policies / Protocols set up by units) where in patients walk in without authorization letter.
- Even in case of authorization letter nominal deposits (5K) would be asked to recover non-medical items.
- For TPA patients a consent letter should be signed by the concerned corporate employee, where a consent to be taken by stating "In case TPA denies the payment, entire payment will be cleared by the patient".
- In case of Road Traffic Accidents and odd hour emergencies the same should not be implemented for first 12 hours, if the customer has a valid TPA ID card as our agreement mandates that.
- The advance should be refunded (on the basis of authorization / after deducting for the items which are not covered by the TPA's) to the customer at the time of discharge by Cash or Cheque.
- Deposit of Rs.10, 000 can be taken with a clear written communication to the patient stating that the said amount is for non-medical items, which are not paid by TPAs, Unutilized amount should be refunded at the time of discharge.

- Cases where denial comes from TPA after the initial authorization should be tracked and escalated to TPA desk, so that those can be taken up appropriately with respective TPA's.

Mode of Payment and Refunds.

- We accept payment by Cash, Credit/Debit cards and drafts. The draft should be in the favor of "QRG Medicare Limited".
- Refund of more than Rs.19,500/- will be paid through cheque / NEFT after up to 5 working days only.
- In usual circumstances admission cannot be cancelled unless until patient is unfit for surgery. In such circumstances refund will be given only with the prior written approval of Director/ HOD / Administrator.
- Discharge Timings: Cut off for discharges to be 2:00 PM (Including 4 Hrs. of Grace Period). No TPA discharge will be entertained after 2:00 PM. However, cash paying discharges may be entertained till 4:00 PM as an exception, no discharges except DOPR/LAMA/Expiry/ Day care after 4:00PM.
- All planned discharges for the next day to be intimated an evening before and the Discharge Summaries for such planned discharges should be ready to facilitate timely discharges of TPA patients. (Any deviation to be informed to Head – Front Office and Administrator within 24 hours.)
